3. Package prices for logo, brand/corporate style and website (LOGODOK)

KloosterVision collaborates with Netplanet to deliver professional, responsive and SEO-optimized wordpress websites. This collaboration will soon find a more definite shape under the name of LOGODOK (www.logodok.nl). LOGODOK will work with standard modules and standard prices for packages, that include logo, brand and web design, as well as a DIY coaching kit. For more information about the technical possibilities of our web development and prices (excluding KloosterVision design), please visit www.netplanet.nl. Contact KloosterVision ([Leonie Klooster](mailto:Leonie.Klooster)) for a custom price indication of a KloosterVision designed, Netplanet built website.
